PATTY WAGSTAFF

To Patty Wagstaff the sky represents adventure, freedom and challenge. A six-time member of the US Aerobatic Team, Patty has won the gold, silver and bronze medals in Olympic-level international aerobatic competition and is the first woman to win the title of US National Aerobatic champion and one of the few people to win it three times.

Patty flies one of the most thrilling, low-level aerobatic demonstrations in the world. Flying before millions of people each year, her breathtaking performances give air show spectators a front-row seat view of the precision and complexity of modern, unlimited hard-core aerobatics. Her smooth aggressive style sets the standard for performers the world over.
